

# LIONS PAW

Mar 11, 2009

## Weekly Events

- FRI. Spring Pictures
- TUES. School Committee Meeting 6:30 p.m.  
6th Grade Meeting 6:30 p.m.
- WED. Chapel 8:25 a.m.  
Staff Luncheon

## SPRING PICTURE FUNDRAISER

Parents, the school pictures scheduled for this Friday are a chance to have your children (and/or your family) photographed TOGETHER. Students may have individual poses; you may also have your children posed together. This is a fundraiser for the school and an inexpensive way to get a professional picture at a very reasonable cost. ALL students will be photographed unless you send in a note to your child's teacher saying that you decline. .

## STAY HOME

Currently we have 101+ degree fevers, Strep Throat, Impetigo, Walking Pneumonia, Bronchitis, Stomach Flu, cough, colds, etc. among our families. Students are out of school for just one day to over a week. Our students are coming back to school too early, and getting sick again, and sharing their sickness with others.

We are asking our school families to err on the side of caution and keep your child home, if they have symptoms. Keeping them home that one extra day just might help us break the cycle.

If your child can do homework during their absence, it will make returning back to class much easier.

### Please Pray For:

- The school, the child care center and the church.
- Our families and their job situations..
- For the many people who are sick.

## RE-ENROLLMENT

It is not to late to re-enroll! Packets went home with our students last week. Please follow the directions and return them to the school office.

For those who are unsure of the future come talk to Bert and let her know where you stand.

For those who will not be returning please let Bert know ASAP. This will help us plan for the next school year.

Questions? you may email Bert at [zionschool@proaxis.com](mailto:zionschool@proaxis.com) or give her a call at 753-7503.
